

ZERO WASTE RECIPE

ASHTRAY

With a plastic bottle

MATERIALS

- 1 PET bottle
- 2 capss

UTENSILS

- 1 pair of scissors

INDICATIONS

- Preparation time: 10 minutes
- Precautions: clean tools, sharp scissors
- Stopper adapted to the neck

PREPARATION

- 01** Cut the bottle so as to recover the neck. Keep a little weight to adjust one of the two caps that will remain permanently attached.
- 02** Place the stopper that will not move.
- 03** Screw the second plug onto the side that screws/unscrews.
